Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

Claim 22 objected to for nonillustration has been canceled.

Claim 30, which depended via dependent claim 29 on independent claim 18, has been found to contain allowable subject matter. Accordingly the subject matter of claims 29 and 30 has been added to claim 18, and claims 29 and 30 have been canceled. This makes claim 18, from which all the other claims depend, allowable.

The application is therefore in condition for allowance and passage to issue. Notice to that effect is earnestly solicited.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this

case, the examiner is invited to call the undersigned to make the necessary corrections.

Respectfully submitted,
K.F. Ross P.C.
